Last week

Last week in provision we continued doing activities around our theme, "How does that building stay up? The children enjoyed building towers and creating different houses using various shapes.

This week

We are continuing our topic, "How does that building stay up?".

It is also 'safety week' so we have various activities for the children to do around this topic, plus Mrs Higginbottom our lollipop lady is coming in for a visit.

Reminder

A gentle reminder about only providing water in water bottles. Thank you.

Please ensure your child brings a warm coat, hat and gloves. We will be playing out in all weathers so if you would like to provide them with some wellingtons in a labelled carrier bags as we have some large puddles which develop when it rains heavy and children love to jump in muddy puddles!

Please remember to ensure all your child's clothing and water bottles are labelled and if you could provide spare clothes in their bag as we are very low on spare clothes.
Thank you!
