

FSI NEWSLETTER – WC 10.3.25

This Week:

This week in Nursery, the children have been continuing to explore our topic 'How many colours in a rainbow?'. We have begun our new story 'Egg drop'. We have enjoyed learning about eggs, expanding our vocabulary to use verbs such as 'squeeze'. We have also discussed dreams and aspirations for the future.

At our mark making table, the children have been drawing pictures of flowers, identifying and labelling their features such as leaf and stem. This is helping to develop their pencil control and expand their vocabulary. Children have also been making rainbow collages using paper plates and multi-coloured tissue paper. On our easel, children have been painting rainbows using our rainbow song to remember the correct order.

On our maths table we have been continuing to match quantity of number to the number representation on ducks. This helps children to understand the value of number.

Gentle Reminder

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.

Homework

Homework will be given out to children on their last day of every week. Please ensure this is physically handed in either by your child or yourself as members of staff do not check children's bags.

If you have lost your home work or did not receive one due to absence, please collect your own copy from the notice board in the entrance to Nursery.

Reading books

Children in Nursery are encouraged to select a book from the book box on the carpet area. Children should keep the same book for a week and return these on

their last day of Nursery every week. Please ensure you change your child's book with them in the morning.

Online Safety

Starting the conversation

Talking regularly with your child can help keep them safe online. Making it part of daily conversation, like you would about their day at school, will help your child feel relaxed.

It also means when they do have any worries, they're more likely to come and speak to you.

But it's easy to become overwhelmed with the different technology, the language that children use, the huge number of games and apps which are available and the potential risks.

Considering your children's age and ability will help you decide how to speak to them. For under-11s the following two links may be helpful:

Reminders

Please remember to let staff aware if your child is being collected by a different adult. Please can we ask you tell us the name of the adult collecting the child and add it to the child collection board as you enter nursery.

Polite reminder that juice is NOT allowed in Nursery or school. Children are to bring in a bottle of water every day to ensure they are kept hydrated. This also applies for lunch boxes too.

A gentle reminder that we are a nut free school, this also means that if packs state 'may contain traces of nuts' this also cannot be provided in children's pack lunches. Also, within our healthy school policy we ask that sweets and chocolate are not provided in pack lunches. Thank you for understanding.

Please ensure you chose your child's dinner on the interactive whiteboard with them in the morning before leaving them or you notify them if they are a school dinner or packed lunch.
