

FSI NEWSLETTER – WC 17.3.25

This Week:

This week in Nursery, the children have been continuing to explore our topic 'How many colours in a rainbow?'. We have continued our new story 'Egg drop'. We have been discussing different modes of transport. We have also been thinking about what we would like to be when we grow up.

At our mark making table, the children have been colouring in pictures of rainbows and making 'Happy Easter' cards. This is helping to develop their pencil control and practice name writing. Children have also been making Easter eggs using clay and using tools to decorate them with patterns. On our easel, children have been printing patterns on Easter eggs.

On our maths table we have been matching quantity of number to the representation on Easter eggs. This helps children to understand the value of number.

Gentle Reminder

We open nursery from 8.40am-8.50am, we ask that you read the book or practise their name writing using the name card sheets from their draw and a whiteboard pen from the writing area from and return it after the shaker has been shaken at 8.50am. Books will be changed weekly by a staff member.
