Welcome

Welcome to the Easter 2025 edition of our SYCU Passport to Learning newsletter. It contains information about activities happening right across the region in the holidays, so why not take a look? Some activities are free, others are charged, but there's plenty to choose from. Remember, you can earn CU credits for taking part! All our Learning Destinations (approved activity providers) deliver activities throughout the year, so why not find their details and discover what's on offer?

www.childrensuniversity.co.uk/activity-search

CHILDREN'S UNIVERSITY - WHAT IS IT?

Children's University (CU) encourages children and young people to take part in extra learning activities in their own time (beyond the school day). They earn 1 CU credit per hour they take part, which leads to certificates and badges between 30 credits (Bronze Award) and 100 credits (Gold Fellowship). Some are presented at our Gold Awards Ceremonies (see the picture at the top!). We know it makes a difference - pupils have fun and make new friends as well as develop confidence, motivation and essential life skills. They're more likely to have better attendance, make more progress and achieve more at school.

Did you know...?

There are Children's University (CU) centres right across the country. Here in South Yorkshire, we have some of the UK's biggest CUs with tens of thousands of children and young people collecting hundreds of thousands of CU credits every year...that's amazing! You're amazing!

In the last few years, Doncaster, Rotherham and Sheffield CUs have been working together to share ideas on how we can make CU even better in South Yorkshire and we're delighted to say that Barnsley CU have now joined us too. This means that there are even more opportunities for children, young people and families to earn CU credits right across our region.

Not sure which CU centre your child belongs to?

**It's which ever Council area that their school is covered by.
Not sure? Ask in school**

And this Holiday Activity Newsletter is just one of the ways we're pulling our ideas together. So, just before every school holiday, look out for our newsletters packed full of ideas of places to visit, new things to try and activities to take part in.

The way CU members collect their credits is a little different in each area, so here's a quick guide...

How to collect your CU credits at Learning Destinations...

Barnsley, Doncaster & Rotherham CU members

- Take part in the CU activity
- Ask for the CU stamp code
- Write it in your Passport to Learning (if you have one)
- Log into CU Online
- Claim your credits using the CU stamp code

Sheffield CU members

- Take part in the CU activity
 - Sheffield Learning Destination:**
 - Ask the Learning Destination to sign your Passport to Learning
 - Add your details to the CU register before you leave
 - Learning Destination beyond Sheffield:**
 - Ask the Learning Destination to sign your Passport inc. the CU stamp code
 - Claim your credits here...
<https://bit.ly/claimSCUcreditsbeyondSheffield>
- please note: Sheffield CU does NOT use CU Online
